All ferrier as well as any veterinarian expenses including drugs medication &/or supplies deemed necessary by the breeding facility/veterinarian are to be paid in full prior departure of mare from the breeding facility.

CONCEPTION

It is suggested, but not mandatory that the mare be left at JD Stables (if live covered), until pronounced in foal & checked. To help eliminate the possibility of twins. A licensed veterinarian does this at approximately 45 days after the last day bred or inseminated. If you take the mare home prior To this being done, you must notify the breeder no later than 55 days post Breeding/Insemination.

ARTIFICIAL INSEMINATION:

The mare owner understands that any/all collection & shipping expenses that arise will be their responsibility, even if the mare does not conceive. The Artificial Insemination fees are NOT Included as part of the 'stud service fee'. It is understood that any and all efforts will be made to ship semen when called for and in a timely manner but in order to ensure shipment semen must be called for 24 hours in advance.
