

**JANZEN MORGAN FARM**  
***FROZEN SEMEN DONATION AGREEMENT 2024***

This contract is for frozen semen from the Morgan stallion: **JMF ON FIRE**

This frozen semen has been donated to the MHAO Stallion Service Auction and was purchased by (the BUYER): \_\_\_\_\_

Details are as follows:

1. BUYER will receive:

- One breeding dose (8 - 1/2mL straws) of frozen semen from **JMF On Fire, CLRC #17659, AMHA #195420** at a value of \$850.00 USD.
- Up to two more doses of semen can be requested by BUYER to impregnate one mare, if required, but shipment of additional doses will completed separately, by the dose. **Please list mare to be bred:**

Mare's Name: \_\_\_\_\_ AMHA#: \_\_\_\_\_

2. BUYER is responsible for all costs associated with breeding and for shipping said frozen semen from SELLER'S storage facility to BUYER'S storage facility.

Storage Facility (Name & Address): \_\_\_\_\_

Veterinarian Name: \_\_\_\_\_

Contact Information: \_\_\_\_\_ Email: \_\_\_\_\_

3. Once SELLER has received a signed agreement, the shipment of frozen semen can be completed immediately to the BUYER and must be completed by December 31, 2024. If semen is not shipped by December 31, 2024, it is considered abandoned by BUYER and said frozen semen will be retained by SELLER and all rights to it by BUYER become null and void.
4. Once a signed agreement is received by SELLER, SELLER will release semen to BUYER who can make arrangements for transfer of the semen with Alberta Veterinary Center, 202 Burnt Ridge Road, Red Deer, AB, Canada T4S 0K6 www.albertavetcenter.ca (403) 347-1711.
5. Once the mare has been inseminated, the BUYER will notify the SELLER of the successful breeding dates and the SELLER will report the breeding on the year's Stallion Report to Canadian Livestock Records Corporation. Or the BUYER can have a Notice of Frozen Semen Transfer form filled out and sent to the AMHA so the ownership of the semen can be recorded for a fee.
6. There is no Live Foal Guarantee on this frozen semen.
