

STALLION COLLECTION AND SEMEN PROCESSING
2026 Breeding Season

The Equine Reproduction Service at the UC Davis Veterinary Medical Teaching Hospital is pleased to offer semen collection and processing services to our stallion-owning clients. Highly trained clinicians and technicians work closely with each stallion ensuring a positive and safe experience for horses and handlers.

Pricing

Please see the tables below for pricing details. If you have any questions, need more information, or would like to schedule an appointment for your stallion(s), please feel free to contact the Equine Reproduction Service at 530-752-0290 (during business hours) or via email at reproduction@ucdavis.edu.
