WE'RE MOVING!

Following the passing of my beloved husband, Bob, son of the late W. Robert Morgan, founder of Triton Morgan horses, the continuation of the Triton tradition of raising quality and well-bred Morgans will be relocating. The final destination will be Stillwater, Oklahoma, and partnering with cousin Dr. Patti Sheeley, and her new Palomino Morgan, HSB Mountain Spirit, will join the program.

Visit All-Breed Pedigree (online) to view the exceptional bloodlines of our proven mares, Triton Gabrielle and Triton Ms. Mandalorian. Both are in foal to Minion Millennium and re-bred to Shanghai, respectively.

Susie will return to her passion for clinics and lessons. She is a former AMHA judge, Hall of Fame trainer, Golden Reins recipient, and is acknowledged in Helen Crabtree's second book.

2026 MHAO Stallion Service Auction & MHAO Breeders' Cup Futurity

Mission Statement

The Morgan Horse Association of Oregon (MHAO) is dedicated to the promotion of the Morgan Horse. We strive to support the breeders of Morgan horses by offering ways to publicize their breeding programs and by offering access to high quality breeding stallions.

The **MHAO Stallion Service Auction** originated in 2008 for the promotion of local stallions. In 2012 it was expanded to include stallions from across the Nation. We seek to include stallions from a variety of bloodlines and disciplines. It is our goal to increase excitement about the Morgan Horse, and to draw the Morgan Community together.

The **MHAO Breeders' Cup Futurity** was established in 2010 to aid in the promotion & development of horses owned by MHAO members. The Futurity is designed as a 5-year plan which follows a new born foal through its 4-year-old show season.

Both programs are sponsored by the Morgan Horse Association of Oregon. They are administered by the MHAO Stallion Service Auction Committee and the MHAO Breeders' Cup Futurity Committee which consists of appointed MHAO members.

MHAO Is Seeking Sponsors For Our Futurity Program

MHAO offers the only remaining traditional Morgan Futurity in the Western Region. To help keep the program strong and to provide as much prize money as possible to our breeders we are seeking the support of sponsors who believe as we do, that it is important to support breeders in any way we can. Set packages and custom packages are available. If you can help, please contact Gay Adams at (503) 936-4276 or sunstonemorgans@comcast.net.

An Invitation to Breeders ~

Welcome to the Oregon Morgan Classic Horse Show (OMC), the largest Morgan horse show in the state of Oregon and one of the largest in the Western Region. This show is where we hold classes for the Morgan Horse Association of Oregon (MHAO) Breeders' Cup Futurity. Funding for our futurity comes from the MHAO Stallion Service Auction which closes earlier in the year, from Futurity fees, our sponsors, and from donors.

If you are raising Morgan foals, please consider entering them in this futurity. All are welcome to join us. Any foal owned by an MHAO member who is by an AMHA recognized Stallion and Dam is eligible to be nominated. Not a member of MHAO? Please join! Then come show other Morgan owners & enthusiasts your vision of a Morgan horse. Our goal is to conduct a fun event that welcomes all. If you purchase a foal that is already nominated to the Futurity, their nomination status transfers to you. All you need to do is keep the foal current going forward.

MHAO Futurity classes are designed to follow your horse through its normal developmental process. Halter classes are available for weanlings through 2-year-olds. Performance classes are available starting with a 2-year-old pleasure driving class. For 3-year-olds along with a Pleasure Driving class there is a Park Harness class & Classic Pleasure Driving Class there are Walk/Trot classes for English Pleasure, Classic Pleasure, Park Saddle, Hunter Pleasure, & Western Pleasure options. The same classes are offered for 4-year-olds but the saddle classes are Walk/Trot/Canter or jog classes. A copy of the Futurity Rules is located later in this booklet.

2014 saw the debut of the annual High Point Futurity Award. This award was created and is sponsored by Anne Margaret Korver. Points for this award are earned by participating in Futurity classes throughout the 5-year Futurity program. You will find more information in the Futurity Rules.

2016 saw the debut of Futurity Sweepstakes halter classes for Futurity Yearlings & 2-yr-olds. The Sweepstakes classes were something we had wanted to do for a long time. Initially, any yearling or 2-yr-old placing 1st or 2nd in their regular Futurity halter class on Wednesday night could move forward to the Sweepstakes class for their age group on Saturday night & the chance to earn additional prize money. In 2023 that structure changed a little. Due to the number of Sport & Western Working type breeders in our area, we now offer two full Divisions for Futurity halter: Traditional & Sport/Western. There is one Sweepstakes class for each Division for all horses placing 1st or 2nd in their qualifying class (weanling through 2-yr-olds). We will pay bonus payments to the breeder and stallion donor for any Sweepstakes winners who are the result of a breeding purchased through our MHAO Stallion Service Auction.

Beginning in 2019 we created a mare recognition program for the dams of our Sweepstakes winners. These wonderful mares will be recognized in the Futurity booklet the following year and will receive a plaque honoring them. We have long been looking for a way to showcase Morgan mares in our program and are excited to finally have a way to do it. Mares make such an important contribution to our breed.

Are you raising any Morgan foals? Come join us! We will continue to look for more ways for participants in our Futurity to win money and to have fun with their horse/s.

Gay Adams, MHAO Breeders' Cup Futurity Chair

MORGAN HORSE ASSOCIATION OF OREGON

Breeders' Cup Futurity Rules for 2023 v2

GENERAL: The MHAO Futurity was established in 2010 to aid in the promotion of horses owned by MHAO members. The Futurity is designed as a 5-year plan which follows a foal through its 4-year-old show season. The Futurity is sponsored by the Morgan Horse Association of Oregon (MHAO) and administered by its Futurity Committee, which consists of appointed MHAO members.

All correspondence should be sent to the Futurity Committee:

MHAO Futurity Committee
c/o Gay Adams
16818 S Manor Dr.
Oregon City OR 97045
sunstonemorgans@comcast.net
Fax: (866) 761-0277

ELIGIBILITY: Foals must be registered or be eligible to be registered as a Morgan through AMHA. Nomination of the foal is to be made by the owner of record or holder of a valid AMHA lease for an AMHA registered Morgan mare that is bred to an AMHA registered Morgan stallion at the time of the foal's nomination. Foal owners or leasee's must be members of MHAO or become members at the time of nomination &/or renewal.

INITIAL FOAL NOMINATION: Foals born or to-be-born in the current year may be nominated for \$45 by year end or before they are shown at the Oregon Morgan Classic that year. For nominations after December 31st, see "Late Nomination Fee" in the following section for additional information.

Foals are considered nominated when an eligible mare owner or lessee breeds their mare to a Morgan stallion and submits the following to the Futurity Committee:

Owner's name, current address, and telephone number using a nomination form.

Name & registration numbers of the sire and dam of the foal.

An initial \$45.00 nomination fee. (Make check payable to MHAO Futurity)

Online forms and payment options are available at www.morganhorseoregon.com or by contacting the Futurity Committee.

To remain in the futurity, annual renewal fees will apply through the horse's 4-year-old year. Renewal fees need to be paid by March 31st each year.

LATE NOMINATION FEE: A late nomination fee of \$100 will apply if a late nomination or late re-nomination is accepted by the Futurity committee. However, no foal may be shown in a Futurity class unless their nomination fees are current.

Information requested in #1 and #2 above must be submitted to the Futurity Chair for validation. If a fee is paid late, this \$100 fee replaces the normal nomination fee of \$45 or re-nomination fee of \$25.

NOTE: Foals may be nominated late thru their 4-yr-old year if the owner/leasee is willing to pay a \$100 late fee for each year they are late.

FOAL NOMINATION RENEWAL: The nomination of each Futurity foal entry must be renewed each successive year (whether or not it is shown) in order for the entry to be eligible for the current year and years going forward. The foal nomination may not drop from the Futurity for one year and re-enter for the next year.

A foal nomination will be considered renewed for the current year when the following has been submitted to the Futurity committee on or by March 31st:

- 1) Owner's name, current address, and phone number
- 2) Name & AMHA and registration number of the sire and dam of the foal.
- 3) Name, sex, color, and a copy of the foal's AMHA registration. (Registration papers are required no later than the end of the foals yearling year)
- 4) A \$25 nomination renewal fee.

TRANSFER OF OWNERSHIP: If a foal is sold at anytime, Futurity nomination goes with the foal provided the new owner is or becomes a member of MHAO, payments have been made on time and continue to be paid promptly by the new owner until the final date.

CLASSES: Futurity classes will be held at the annual OREGON MORGAN CLASSIC HORSE SHOW or at any show designated as official by the MHAO Board Of Directors. Futurity classes are independent from all other classes at the show or any other shows, and therefore have no affect on other high point awards or show championships. To be shown in Futurity classes the horse must be nominated for the current year, and the owner must declare his/her intent to show (see Declaration). A horse need not shown every year to continue in the Futurity. Classes will not be combined.

There are two separate Halter Divisions in the Futurity. The first division is for traditional type Futurity halter classes. The second division is for Sport/Western Futurity horses. Both classes follow normal USEF rules and the horses are judged against the Morgan standard. Horses in the Sport/Western classes stand square to be judged. They are not shown on

the triangle. Each Futurity Halter Division offers the following classes—there is no cross entry between the two halter Divisions:

- **Year One Classes: Weanling Foals In-Hand (2 classes)**
Separate classes for fillys and colts
- **Year Two Classes: Yearlings In-Hand (3 classes)**
Separate classes for fillys, colts, & geldings
- **Year Three Classes: 2-yr-olds In-Hand (3 classes)**
Separate classes for fillys, colts, & geldings

To encourage participation and in the interest of safety; at the choice of the owner, the Futurity weanling foal may be accompanied by their dam in the ring during adjudication. Only one handler is allowed per dam and must remain at a discreet distance so as not to interfere with the adjudication of the foal. All handlers must be dressed appropriately. Dams to be led in halter or bridle only and be suitably groomed for presentation in the ring.

USEF fees do not apply to Futurity classes. The World Futurity is a totally separate program and requires separate entry.

Performance classes are offered starting with the Futurity horse's 2-yr-old year:

- **Year three performance class (1 class)**
2-yr-old Futurity Driving Class
- **Year four performance classes (walk, trot/jog—8 classes)**
Classic Pleasure Driving
Pleasure Driving
Park Harness
Classic English Pleasure
English Pleasure
Park Saddle
Hunter Pleasure
Western Pleasure
- **Year five performance classes (walk, trot/jog, canter/lope with extensions—8 classes)**
Classic Pleasure Driving
Pleasure Driving
Park Harness
Classic English Pleasure
English Pleasure
Park Saddle
Hunter Pleasure
Western Pleasure

Horses will be shown under current US Equestrian Federation Rules for Morgan classes, but are not USEF approved classes.

With the exception of the 3-yr-old saddle classes which are walk, trot/jog, Futurity performance classes do qualify a horse for Nationals.

SWEEPSTAKES CLASSES: Sweepstake Halter classes were started in 2016 for yearlings & 2-yr-olds in hand. All horses placing 1st or 2nd in their qualifying halter classes were eligible to move forward to a Sweepstakes class for their age group with no division for gender.

In 2023, Futurity classes were divided into two different Divisions: Traditional Futurity Halter Classes and Sport/Western Futurity Halter Classes. Sweepstakes classes were also changed to be one for Traditional halter classes and one for Sport/Western halter. Horses placing 1st or 2nd in their qualifying halter class are eligible to move forward to the Sweepstakes for their Futurity Division. Sweepstakes classes are not divided by age or gender.

Awards will be given for Sweepstakes Champion and Reserve Sweepstakes Champion for each Division. No points for Sweepstakes classes are awarded toward the Futurity High Point Program discussed later.

No declaration fees are required for Sweepstakes classes. **If the winners of the Sweepstakes classes are auction get, bonus payments will be made to the breeder and to the stallion service donor.**

DECLARATION: A declaration of intent to participate in a Futurity class is considered complete when the owner submits the following information to the Futurity committee by June 1st:

- Owner's name, current address, and telephone number via a Futurity Class Entry Form.
- Name, sex, & AMHA registration document of entry. Weanlings are exempt from the registration requirement, but both parents must be registered.
- Name and registration number of sire and dam.
- The class/es in which the entry will be shown.
- A \$25 declaration fee for each class (\$50 for post entry after June 1st).

Post entries will be accepted at double the normal entry fee up to such time as post entries for the show close. The declaration fee does not cover stall fees which must be reserved using the OMC Show Entry Form.

ALL OWNERS/LEASEES MUST BE MEMBERS OF THE MORGAN HORSE ASSOCIATION OF OREGON. Membership is invited any time of the year. Membership information can be found on the

MHAO website: www.morganhorseoregon.com.

FUNDING: The Futurity is funded thru annual nomination fees, declaration fees, the MHAO Stallion Service Auction, sponsorships, and any other fund raising activities the Futurity committee may choose to undertake. Donations are also welcome.

REFUNDS: Refund of the initial nomination fee (if paid during the year of breeding) will only be made if the foal is stillborn or the mare proves to not be in foal. Notification needs to be sent to the Futurity committee by June 1st of the year the foal was to be born. Thereafter, no fee is refundable. If the foal was not due until after that date, then by December 31st.

LIABILITY: MHAO is not liable for more than the amount paid in by any entry. The Futurity committee reserves the right to reject any entry or to debar any entry from competition for failure to comply with the rules of the Futurity.

PRIZES: Futurity funds not used to pay for ribbons, trophies, and other expenses will be paid out as prize money in the Futurity classes. The committee is permitted to hold back some funds to cover upcoming expenses toward future years.

NOTE ON ELIGIBILITY FOR THIS FUTURITY:

Any foal by an AMHA registered stallion out of an AMHA registered mare qualifies to be nominated to this Futurity. They do not need to be the offspring of a donated stallion to the MHAO Stallion Service Auction.

HONORING MARES: Starting in 2019 we began honoring the dams of the prior year's Futurity Sweepstake Champions and Reserve Champions by creating a write-up with a picture of the dam in the MHAO Breeders' Cup Futurity Booklet. The mare owner will also receive a special plaque to display at the OMC show.

MHAO BREEDERS' CUP FUTURITY BOOKLET: Each year the Futurity committee will create a high quality magazine to highlight the donated stallions from the MHAO Stallion Service Auction and the current Futurity horses. The booklet will be paid for from ads that are sold or from donations. Futurity fees are not to be used to cover the expense of printing this publica-

tion. The Stallion Service Auction committee will pay for the actual direct cost of printing the pages related to the auction. Distribution of the magazine will normally start with the Oregon Morgan Classic in Eugene Or in June. The booklet is also to be made available at key shows up and down the Western Region and at Nationals.

MHAO BREEDERS' CUP FUTURITY HIGH SCORE AWARD
Started in 2014

The MHAO Futurity was started in 2010 to aid in the promotion of Morgan horses. The Futurity is designed as a 5-year program which follows a new born foal thru its 4-yr-old show season. To encourage and continue promotion of these horses a Futurity High Score Award was added. It was created, and sponsored by Anne Margaret Korver starting in 2014 thru 2023. The incentive is a monetary payout to the current owner/s of the winner plus the horse's name, sire, dam, and breeder's name engraved on a plaque to be displayed each year at the Oregon Morgan Classic Horse Show. The owner will also receive their own Award to keep.

QUALIFICATIONS:

1. The horse including sire and dam must be registered with the American Morgan Horse Association Registry.
2. All the current and past owners during the 5-year must be or were members in good standing with MHAO during their ownership of the horse.
3. The horse's original and renewal nominations for each year up to and including the final year of the plan must have been paid timely and be current.

The Futurity High Point Award will be for the graduating class of Futurity 4-yr-olds. Only Futurity classes at the Oregon Morgan Classic will be counted. All Futurity In-Hand & Performance classes qualify from weanling thru 4-yr-old.

POINTS WILL BE TABULATED AS FOLLOWS:

1st	2nd	3rd	4th	5th	6th
6	5	4	3	2	1

In the unlikely event of a tie, performance classes will be weighed more favorably. A placing in a performance class will have one (1) extra point added to their placing point. If still tied, the horse with the most "higher" placings will win.

No points for the Futurity Sweepstakes classes will count toward this tabulation.

FCM Coco Bella

(RWF Noble Peace x Mantic Bella Rena)

Anne Margaret Korver purchased "Coco" from Rodney Fletcher on 1/14/2019 through Nancy Eidam. Nancy had been leasing her at the time. She was then supposed to be bred to MSV Shooting Star in 2019, but nature intervened and she produced Rosehaven Ignacio by Crown Elite. Ignacio was the 2021 Futurity Sweepstakes Champion and the 2024 MHAO Futurity Hi-Point winner. Coco was then bred to Treble's Chrome Plated, of course in hope of another Futurity Sweepstakes Champion. She produced Rosehaven Light Your Fire in 2023, who was the 2024 & 2025 Traditional Sweepstakes Champion in the MHAO Breeders' Cup Futurity.

Roy-El's Belle Of The Ball

(Roy-El's Princeton x Roy-El's Countess)

Roy-El's Belle Of The Ball has excelled in show and sport divisions at Morgan shows, and been an ambassador for the breed in open dressage and carriage competition. "Belle" was bred by Elberta Honstein and Deborah Honstein-Seybold at their Roy-El Morgan Farm in Espanola, New Mexico. Belle was purchased by Lindsay Naas, in the spring of 2010, at the recommendation of her mother, Marianne Naas.

From their first western pleasure championships at FarWest and the Oregon Morgan Classic in 2011 to their Classical Dressage, Western Dressage and Carriage World Championships in 2013, 2014, 2015, 2017, 2021, 2022, and 2023, Belle has willingly taken on whatever discipline was asked of her.

The highlights of Belle's competition career include winning the inaugural New England Sport Horse award, after winning the Western Dressage Basic Level Championship, and every western dressage class entered; her First Level Musical Freestyle class; Reserve Champion Suitable Hunter Over Fences, including a win in one of the over fence classes (the first time she'd ever jumped a full course in competition); and the Reserve East Coast Carriage Limit Horse Championship at the 2017 New England Morgan Horse Show.

After winning World Championships in Classical and Western Dressage, Belle was called out reserve champion in the 2022 Morgan Working Carriage World Championship under judge Katie Whaley. In 2023, Belle won the Carriage Dressage High Point World Champion award with a phenomenal 92.66% in her Dressage Driving Test under judge John Greenall.

Belle has had two lovely foals, LRN Roy-El Sage, by Graycliff Tony, who has excelled in Western Pleasure, Western Dressage, and competitive driving, and Belle's French Beau, a now two-year old gelding by Futurity French Command who has won the title of Sweepstakes Sport/Western Reserve Champion in the 2025 MHAO Breeders' Cup Futurity.

At 22, Belle is Lindsay's favorite companion for a trail ride through the Sonoran Desert.

Distinguished Mares

FRF Bridalveil

(DBA Street Talk x Slip Into Silk, BHOF)

FRF Bridalveil is an elite, celebrated broodmare in the American Morgan horse breed, standing as a foundation anchor for the prestigious Fire Run Farm program based in Washington State. She carries the highly coveted Waseeka and Masterpiece lines that are synonymous with high quality park and performance horses. She has had several notable offspring through embryo transfer and natural breeding. She has produced multiple award-winning champions such as Fire Run Best Man WC by Pondview Tres Bien, Fire Run Fairytale GNC also by Pondview Tres Bien, Fire Run Dragonfly by Dragonsmeade Sea Dragon, Fire Run Phantom by Dragonsmeade Axios, and Evergreen by Fire Run Fahrenheit. As an honored producer, she represents an ongoing legacy of elegance, intelligence, and exotic conformation within the Morgan community. MHAO honors her as the dam of the MHAO Sweepstakes Traditional Reserve Champion for 2025, FRF Testarossa.

C-King Ka Ching

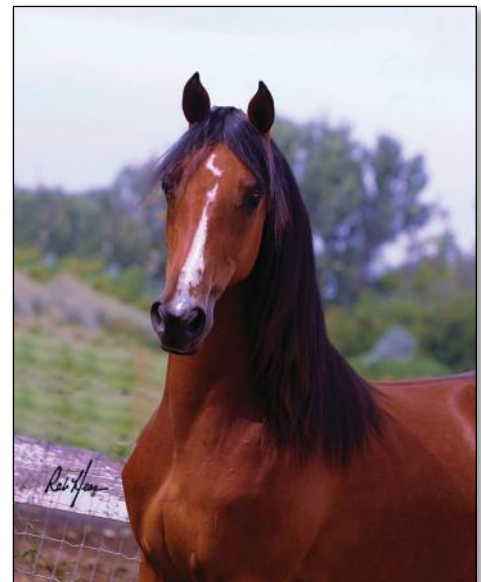

(MSV Shooting Star x DVF Lonesome Dove)

C-King KA-Ching, was the result of crossing a talented daughter of the beautiful stallion Southerly Conowingo to MSV Shooting Star. When Ching was foaled she took the breath away of her owner Susan King, Pasco, Washington and trainer/breeder Nancy Eidam, Hermiston, Oregon. She was the epitome of what a morgan filly should look like— strong, up-headed, shapely, and wow could she trot. When it came time to train Ching she was sent to trainer Diane Pixlee of Ephrata, Washington and was successful showing in the MHAO Breeders' Cup Futurity.

The first year Ching was shown under saddle was as a four-year-old in the Jr Hunter Pleasure classes where she garnered wins in both her preliminary classes and in Championship classes. That was just the beginning of a successful show career in the Hunter and English Pleasure divisions.

Ching was retired early to become a broodmare and has produced a beautiful filly, C-King Electra, proving she can pass on beauty, brains and talent.

C--King Electra is by Regal Masterpiece and is the 2024 MHAO Reserve Traditional Sweepstakes Champion in the MHAO Breeders' Cup Futurity and the 2025 Sport/Western Sweepstakes Champion.

Morgan Horse Association Of Oregon

Stallion Service Auction

Benefits & Terms

MISSION STATEMENT: The committees of the MHAO Stallion Service Auction and Breeders' Cup Futurity are dedicated to the promotion of the Morgan horse. We strive to support the breeders of the Morgan horse by offering ways to publicize their breeding programs and to offer access to high quality breeding stallions. It is also our goal to increase the excitement about the Morgan horse and to draw the Morgan community together.

NOMINATIONS ARE OPEN FOR 2026! BENEFITS TO DONATING A BREEDING:

- Press releases on Northwest Morgan News, MHAO newsletter (Stable Sheet), MHAO website, MHAO Facebook Page & the MHAO Stallion Service Auction Facebook Page, in The Morgan Horse Magazine, on The Morgan Blast, at local shows, on the AMHA Facebook page, etc. There is heavy emphasis on advertising the auction and donated stallions.
- The Stallion Auction will be promoted at the Oregon Morgan Classic (OMC) Horse Show with donated stallions highlighted at the show. OMC is one of the largest Morgan Horse Shows in the Northwest and the largest in Oregon. It will be held June 17-20, 2026 in Eugene OR.
- The name of all stallions with a bid will be put into a hat. A winner will be drawn to receive a free 2-page spread in the 2026 MHAO Breeders' Cup Futurity Booklet.
- The MHAO Stallion Service Auction is the only Morgan Stallion Service Auction in the Western Region. We support multiple breeding lines and those representing multiple disciplines.
- Each stallion will receive a full page color ad in the MHAO Breeder's Cup Futurity Booklet. This is a high quality magazine distributed not only up and down the West Coast and at Nationals, but also at the Superior Morgan Horse Sale event.
- You will receive promotion of your stallion through other Equine and Morgan organizations in the Region. There are no fees to participate as a donor in this auction.
- The starting bid is \$600, or an amount set by the stallion owner, higher or lower but no lower than \$500. Bids can be raised in \$25 increments.
- Bidding is online and open from mid-February to April 18th, 2026 at 3pm Pacific Daylight Time. Phone in bids are accepted from those without access to bid online.
- Bonus payments are made to breeders and stallion owners when a foal that is the result of a breeding sold through the MHAO Stallion Service Auction becomes a Futurity Sweepstakes Champion or Reserve Sweepstakes Champion at the Oregon Morgan Classic Horse Show.
- Funds from the MHAO Stallion Service Auction are used to support the MHAO Breeders' Cup Futurity, the only remaining Traditional & Sport/Western Futurity in the Western Region.

Morgan Horse Association of Oregon Breeders' Cup Futurity Classes will be held at the Oregon Morgan Classic to take place in mid-June at the Oregon Horse Center, 90751 Prairie Rd, Eugene OR 97402.

***Morgan Horse Association
of Oregon
2026 Stallion Service Auction***

Thank you to all who participated in the 2026 MHAO Stallion Service Auction, and to our wonderful Stallion & Other Item donors. We were able to offer 24 wonderful stallions this year along with 10 other items. Bids received for stallions and for other items totaled \$7,800. We have pledges for \$6,737 in Sponsorships. Proceeds from the auction are used to support the MHAO Breeders' Cup Futurity. Without our donors, bidders & sponsors these two programs could not continue.

We keep striving to get better each year!

We will continue to offer a mix of local stallions and stallions from across the nation. We endeavor to represent a cross section of all the different breeding lines and disciplines. If you are a potential bidder, you can help us by letting us know what stallions you are interested in and offering the opening bid. If you are a stallion owner, we hope you will nominate your stallion. Your generosity helps to preserve this wonderful breed. In return, we will promote your stallion as much as we possibly can. Along with local advertising, we utilize national advertising through The Morgan Horse Magazine, Morgan Bl@st, local venues and other options. We also administer a website & Facebook page for the auction & futurity, both of which become better known across the country each year. Our promotion of your stallion does not stop when the auction ends. It continues throughout the year.

Our Stallion Auction offers bidders a great opportunity to have access to wonderful stallions, sometimes at a discounted amount to their normal breeding fee. Stay in touch with us! Watch the Stallion Auction and Futurity website for the latest information. Be a part of this program and help bring more excitement to our Morgan breed in the Western Region and to the Oregon Morgan Classic Horse Show.

ATMF Katmandu

Foaled 2017—Cremelo—15.2 Hands

AI or Live Cover—Live Foal Guarantee

ATMF Katmandu is a unique, solid, sporty athlete, bred and built for the highly competitive open sports—yet has the style and grace from his elegant and powerful show lines to also please modern Morgan judges with his lovely long neck, deep square hip and strong powerful trot. His ultra sweet patience with my disabilities allowed me to start and train him myself. Though just beginning his show and breeding careers we believe he will pass on these important qualities.

Katmandu is the only breeding son of the stunning ATMF Against The Wind & from his beautiful dam, ATMF Illusion. This same strong cross produced six outstanding foals. Concentrating the dynamic size and power of their sensational sire, ATMF Superstition (by the radiant Rapidan Apollo), solidifies our select foundation of big strong Brunk and Government Morgans to which we added the elegant neck and pretty curves of Chasley Superman (3x's) through World Champion's Rapidan Apollo and Figures Courageous along with a perfect touch of Lippitt and UVM. Katmandu's rare double cream gene came though our beautiful Higuera Sondarling and his lovely maternal sister ATMF Bit O'Honey. They carried a touch of Kingston, Vigilmarch, Dondarling, and many more. Katmandu is the only cremello Morgan stallion of such illustrious World Champion breeding and quality. That he also guarantees a colored foal is extra fun!

DBA Street Talk

Foaled 1992—Bay—15 Hands

Frozen—Live Foal Guarantee

In the world of Morgan horses, a few stallions transcend their time—not just as performers, not just as producers, but as paradigm -shifters. They don't merely sire foals; they spark bloodline revolutions. They don't just win titles; they redefine type. One such stallion was born in 1992, a gleaming bay, with a striking eye, regal carriage, and a name that--decades later--is still on everyone's lips.

DBA Street Talk was the product of a pairing that brought together the brilliance of Serenity Masterpiece and the rich, grounded genetics of the Devan lines. His sire, the legendary 1988 Park Saddle World Champion Serenity Masterpiece, was already turning heads with his own show career and was producing foals with remarkable presence and motion. On his dams side, Kings Glow Cherish contributed the substance and depth of Devan Pride and Devan Danvere--a deliberate linebreeding choice that proved potent. This cross--elegance over strength, charisma over consistency--produced a colt who would later be described as "a show horse outcross, with show horse results". And that he was. He is, first and foremost, a sire of great daughters. Eighty three of them to be exact--many now found at the heart of premier breeding programs around the world. He passed on upright necks, clean limbs, expressive eyes, and that unmistakable "look at me" presence that can't be taught. He didn't just improve mares--he transformed programs. Among his first foals came cachet-building performers like WWW Reality Check Dot Com, Minion Made-moiselle, and Prediction--early signals that Street Talk would stamp his get with refinement, attitude, and motion.

Street Talk's greatest daughter is arguably Cache BHOF, a mare whose name appears in bold across Morgan history. Out of Fleeting Heart, Cache became the all-time leading dam of World Champions and a cornerstone of the Indian Creek program. His impact through daughters continues to build with each generation: • Trade Secrets, dam of the multi-titled Bada Bing • Wide Eyed Innocence BHOF, full sister to Street Talk, who produced two World Champion mares, a Reserve Champion stallion, and is the grand dam of another World Champion mare.

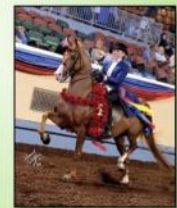

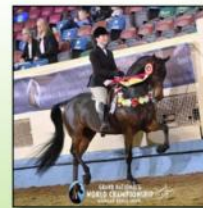

Street Talk has produced stallions like CBMF Tipping Point, a standout performer in the UK, and CBMF Urban Legend, praised by breeders and trainers alike for his promise and progeny.

In a breed saturated with Waseeka's In Command bloodlines, DBA Street Talk offered something different. He brought Devan back in focus--not through Fleetwing, but through a blend of Captor, Hawk King, and OCR. He is Serenity Masterpiece's most Devan-bred son, and his outcross appeal allowed breeders to reintroduce type, motion, and elegance with consistency. He was never a "one type" sire. His get could be athletic or upright, bold or sweet-faced, but they were always unmistakably Morgan. And while he only produced 17 stallions who remained intact, those sons--like Tipping Point and Urban Legend--continue to build on their sire's genetic gift.

His influence echoes from Oklahoma City to overseas. His descendants stand in England, Canada, and across the U.S.--showing, producing, and proving what can happen when you combine the best of both worlds.

Serene Acres Starpower

Foaled 2020 — Bay—15.3 Hands

Frozen—Live Foal Guarantee

Serene Acres Starpower is a beautiful son of TSL Starcraft and out of a Mizrahi daughter. Both sire and dam are line bred to the unrivalled Waseekas In Command. Top and bottom his pedigree is impressive. He is tall and exceedingly long necked, with the soft, elastic movement we value in Western Pleasure. His good looks are coupled with an unflappable, biddable demeanor that enabled his 75 year old owner to show him as a 5 year old. In their show ring debut, showing in a very competitive Amateur Western Pleasure Championship, they took the top tricolors from the ring; and, repeated the accomplishment at the very next show in another competitive Amateur Western Pleasure Championship.

But, make no mistake, this young stallion is no plug, exhibiting a playful demeanor and captivating personality. After hours “Andy” is the personable party animal one would expect of the team captain who is confident of his good looks, charm and athletic ability.

This young stallion has two foals on the ground, a mare and a colt (2023 and 2024). They are just starting training and are reported to be very easy to work with and with very pretty heads.

Serene Acres Starpower has the distinctive look, athletic movement and preeminent bloodlines to offer the astute breeder a star studded opportunity.

Treble's Busy Signal won his first World Championship in 2020 where he won the World Champion Yearling Colt Futurity. Then as a two year old Stallion he was Reserve World Champion Junior Stallion. As a four year old he won the Four year old Grand National Champion 4 year old stallion and also Reserve World Champion Junior Horse Park Harness. As a Five year old entering his first year in the open division he won the Open Park Harness Stallions at the 2024 Morgan Grand National and World Championship.

With a pedigree that looks like a history book of Morgan World Champions as well as horses who have produced World Champions, he is sure to be an up and coming star in the breeding category. He has one foal to date, RDF Busy Bee, who is a coming two year old and looks to have his same showy attitude, long neck, and lots of trot.

Trickling Stream My Dream

Foaled 2020—Black—15 Hands Frozen—Live Foal Guarantee

Trickling Stream My Dream is the beautiful, black embodiment of the perfect Morgan Stallion. His lines are smooth and perfectly proportioned. A lovely set on neck, gorgeous expressive eye and the luxurious mane and tail we all love. His temperament, movement, and mouth are quiet and consistent. He is sensitive to his rider, therefore not needing more than the slightest cues. In both 2024 (as a 4 year old) and 2025 (as an open stallion) he was unbeaten on the west coast in competitive western pleasure classes.

“Frankie” is a true black. And, as a bargain for breeders who care about color, he has been color tested and is homozygous for black/bay.

Trickling Stream My Dream is a full sibling to his older brother 2025 Open Western Pleasure World Champion Trickling Stream Supreme.

With his kind disposition coupled with outstanding phenotype and genotype, we think his offspring will be exceptional.

Frozen - Live Foal Guarantee

Three time World Champion, Triple Pines Brooks GCH, has classic Morgan conformation reflecting his exquisite breeding, which includes Liberation First Star, HVK Bell Flaire, Troutbrook Alexander, And The Beat Goes On. He is smart, flashy and full of "look at me" attitude. And, he is very affectionate.

Brooks domination in the show ring began three months after he was started at his first trail show. In his first year of showing, he dominated trail competitions, both in the Morgan shows and Open shows. He was third in Morgan World Championship Western Trail in Oklahoma City, and won two National Championships at the National Mountain Trail Championships. For the AMHA Open Competition, Brooks won his Bronze, Silver, Gold and Platinum Medals in Working Western competitions, and earned his Grand Champion designation.

In his second year of showing, he added reining to his resume, winning two Morgan World Championship Titles in Green horse Reining and English Trail, as well as a Reserve World Championship in Open Reining. He was the top Reining horse in the AMHA Star Awards program. Three weeks later, he was crowned National Champion at the 2024 National Mountain Trail Championships.

In 2025, Brooks was Morgan World Champion in Reining and Freestyle Reining, as well as Morgan Reserve World Champion in English Trail, In Hand Trail and Ranch Reining. He was the Champion in Ranch and Reining in the AMHA Star awards program. And, he won two National Championships and three Reserve National Championships in Mountain Trail. Brooks was also named People's Choice Reserve Champion in Reining Overall for 2025 by Horse World.

Brooks is bold, brave and smart as a whip. His "try" just doesn't quit. He is eager to learn, eager to please and just a joy to teach. He is happy in the harness, English, Western, Reining or just out on the trail. There is nothing this horse won't do. He is a kind horse with a caring and playful nature.

Brooks is the whole package ... beauty and brains. There are many more National and World Championships in this boy's future. Having this kind of disposition in your barn will bring you joy that will make you never want to leave.
