2027 MHAO Stallion Service Auction

Summary of Terms and Conditions

On-line bids are accepted between February 15 and the auction close date in mid-April 2027 as disclosed on the auction website. Bidding is online, however phone in bids will be accepted from those without online access. All bidders will be asked to complete a pre-registration bid form and to provide credit card information. Successful bidders will be notified by e-mail or telephone and posted for a time on the website. Successful bidders will be required to sign a stallion owner's breeding contract and pay any applicable fees. The MHAO SSA expressly recommends and cautions potential bidders to review all available information prior to the bidding process. The MHAO SSA makes every effort to ensure accuracy in its offerings, but cannot and will not substantiate the details or condition of stallions offered. Breeding contracts (to cover such items as collection fees, shipping fees, and attendant arrangements) as supplied by stallion owners are provided to the successful bidder for execution and completion of the auction event process. All subsequent arrangements and undertakings are between stallion owner and successful bidder ONLY. The MHAO SSA is an avenue for the purchase of a stallion service, and shall not be held liable for any breach of contract, dispute, or other dissatisfaction. All sales are final. The Association strongly urges all potential bidders to contact the stallion owners directly to learn more about the breeding terms before placing a bid. No service purchased through this benefit sale may be transferred without written permission of the stallion owner. A breeding contract will be sent when purchase is complete. Payment for the winning bid must be received by MHAO by April 30th or before the breeding takes place, whichever comes first.
