_____ (Purchaser) for the breeding of the mare _____
_____, Registration # _____, to the Morgan Stallion TREBLE'S BUSY SIGNAL,
registration #197104, for the _____ Breeding season, subject to the following terms and conditions:

1. The non-refundable stallion service fee of \$_____ is payable as follows:
 - A) Non-refundable booking fee of \$250.00 due at the signing of this contract
 - B) \$_____ due before either semen is shipped or mare begins breeding process at Illahee Training
 - C) \$_____ due by the end of the breeding season (August 31)
2. FROZEN SEMEN AVAILABLE. RESERVATIONS FOR FROZEN SEMEN: Receipt of the above stallion service fee confirms the Mare's reservation to breed to the Stallion for the Breeding Season, which shall extend from February 15 until August 31. Please allow a minimum of 48 hours ahead to order frozen semen.
3. COLLECTION/HANDLING FEES: For each shipment of frozen semen, a Handling and shipping fee will be paid by the Purchaser directly to the Illahee in the amount of _____ for the year _____ before the container will be shipped.
4. SUBSTITUTE MARE is not allowed without prior written consent of Robert & Deborah Stevenson or Forest Nealon, Agent.
5. EMBRYO TRANSPLANTS are prohibited without written permission and a signed embryo transfer agreement. If there are two or more embryos, each requires a stallion service fee.
6. CONDITIONS: Stallion service will be provided only to healthy mares in sound breeding condition, as determined by a licensed veterinarian. In the event the mare is barren, the submission of a recent negative intrauterine culture will be required (within 60 days). In some cases, a uterine biopsy and/or progesterone essay may be required. In all cases, the veterinarian must certify that the Mare's immunizations for equine rhinopneumonitis (equine herpes type 1) have been kept current. If the mare fails to conceive after two consecutive cycles, the stallion owners will require a uterine biopsy prior to another shipment.

7. RETURN OF SERVICE: Purchaser shall not be entitled to a refund of fees paid hereunder, except as set forth below. However, the mare shall have the right of return service in the following breeding season with a \$200.00 additional fee.
 - A) If the mare does not settle during the present breeding season, she is eligible for return service in the following breeding season, if the Purchaser submits a veterinarian's certificate of breeding soundness and negative intrauterine culture.
 - B) If the mare is examined in foal but becomes barren during gestation, she is eligible for return with a veterinarian's certificate in the following breeding season.
 - C) If the mare subsequently produces a live foal that is unable to stand alone and nurse, and subsequently dies, a veterinary certificate must be provided within five days from the date of death.
 - D) Where appropriate, the certificate shall also confirm that the mare was properly cared for during gestation and was attended at foaling. A timely receipt of the required veterinary certificate is a condition precedent to any right of return. If the Purchaser's mare becomes unfit for breeding or otherwise unbreedable, the Purchaser may request in writing to use a substitute mare. All rights of return to the stallion are subject to prepayment of costs as set forth in 1. (A – C) above.
8. ON SITE BREEDING: Contact Illahee Training, Inc. 503-887-3134
9. REFUND OF FEES: This contract shall be null and void and the Purchaser shall be entitled to a refund of any amount paid hereunder if the stallion should die or become unfit for service prior to serving the mare in the present breeding season (or, if both parties agree). Purchaser may continue with this contract and will abide by the terms of frozen semen use, along with all related expenses.
10. NON-ASSIGNMENT: This contract cannot be assigned or transferred by Purchaser. There shall be no right of return to the stallion if the mare is sold or otherwise changes in ownership after having been served by the stallion. This contract has a two-year limitation.
11. CONTRACT TERMINATION: Should mare owner opt to terminate this contract all fees paid to date become non-refundable. Should stallion owners opt to terminate this contract, stallion owners agree to refund breeding fee paid, less non-refundable booking fee.
12. WARRANTY: Robert & Deborah Stevenson are not responsible for lost, delayed or damaged semen and make no representations or warranties of any kind with respect to any semen furnished hereunder except that it is the Stallion's. ALL WARRANTIES OR MERCHANTABILITY AND FITNESS FOR PURPOSE ARE HEREBY EXCLUDED.
