1)Collection/Handling/Shipping Fee: Mare owner shall pay a non-refundable collection/handling/shipping fee of \$300.00 to stallion owner upon execution of this contract, which must be executed and returned by mare owner prior to shipment of semen. All subsequent shipments of semen will be billed \$300.00 by stallion owner.

2) All parties agree that semen shipped under this contract provides for the registration of one foal, if this shipment results in the birth of two foals a stud fee of \$850.00 will be due within 30 days of foaling.

3) All parties agree that semen shipped under this contract will only be used to inseminate the mare named above.

4) If stallion passes away or unable to produce viable semen it will be the option of the stallion owner to provide a substitute stallion. If substitute is unavailable /unacceptable stallion service will be forfeited.

5) This donation is good for one (1) breeding season from time of donation.

6) All payments to be made to stallion owner Musette Kyranos

7)Return Privileges/Live Foal Guarantee: Mare must be examined by a licensed veterinarian at or before 50 days after last date bred, and stallion owner must be notified of her breeding status after

*each examination or all guarantees are null and void. Should mare abort, absorb the fetus or fail to conceive, return privileges are guaranteed in the current season (February 15-august 15).*

*A substitute mare may be used upon approval of stallion owner. At the end of the current season the owner of mare shall have the option of rebooking in the following season, but contract is only valid for two full breeding seasons from time of donation. If the said mare doesn't settle within the two breeding seasons this contract becomes null and void and all money paid is forfeited. Should the mare fail to produce a live foal (defined as one that stands and nurses) return privileges are guaranteed for the following breeding season.*

*Rebooking in the following season, will require an additional collection/handling/shipping fee.*
