

MORGAN HORSE ASSOCIATION OF OREGON

Breeders' Cup Futurity Rules for 2023

GENERAL: The MHAO Futurity was established in 2010 to aid in the promotion of horses owned by MHAO members. The Futurity is designed as a 5-year plan which follows a foal through its 4-year-old show season. The Futurity is sponsored by the Morgan Horse Association of Oregon (MHAO) and administered by its Futurity Committee, which consists of appointed MHAO members.

All correspondence should be sent to the Futurity Committee:

MHAO Futurity Committee
c/o Gay Adams
16818 S Manor Dr
Oregon City, OR 97045
sunstonemorgans@comcast.net

ELGIBILITY: Foals must be registered or be eligible to be registered as a Morgan through AMHA. Nomination of the foal is to be made by the owner of record or holder of a valid AMHA lease for an AMHA registered Morgan mare that is bred to an AMHA registered Morgan stallion at the time of the foal's nomination. Foal owners or leasee's must be members of MHAO or become members at the time of nomination &/or renewal.

INITIAL FOAL NOMINATION: Foals born or to-be-born in the current year may be nominated for \$45 by year end or before they are shown at the Oregon Morgan Classic that year. For nominations after December 31st, see "Late Nomination Fee" in the following section for additional information.

Foals are considered nominated when an eligible mare owner or lessee breeds their mare to a Morgan stallion and submits the following to the Futurity Committee:

1. Owner's name, current address, and telephone number using a nomination form.
2. Name & registration numbers of the sire and dam of the foal.
3. An initial \$45.00 nomination fee. (Make check payable to MHAO Futurity)

Online forms and payment options are available at www.morganhorseoregon.com or by contacting the Futurity Committee.

To remain in the futurity, annual renewal fees will apply through the horse's 4-year-old year. Renewal fees need to be paid by March 31st each year.

LATE NOMINATION FEE: A late nomination fee of \$100 will apply if a late nomination fee or re-nomination fee is accepted by the Futurity committee. However, no foal may be shown in a Futurity class unless their nomination fees are current. Information required in #1 and #2 above must be submitted to the Futurity Chair for validation. If a fee is paid late, this \$100 fee replaces the normal nomination fee of \$45 or re-nomination fee of \$25.

NOTE: Foals may be entered late through their 4-yr-old year if the owner/leasee is willing to pay a \$100 late fee for each year they are late.

FOAL NOMINATION RENEWAL: The nomination of each Futurity foal entry must be renewed each successive year (whether or not it is shown) in order for the entry to be eligible for the current year and year going forward. The foal nomination may not drop from the Futurity for one year and re-enter for the next year.

A foal nomination will be considered renewed for the current year when the following has been submitted to the Futurity Committee on or before March 31st.

1. Owner's name, current address, and telephone number.
2. Name and AMHA registration number of the sire and dam of the foal.
3. Name, sex, and a copy of the foal's AMHA registration. (Registration papers are required no later than the end of the foals yearling year).
4. A \$25.00 nomination renewal fee

TRANSFER OF OWNERSHIP: If a foal is sold at any time, Futurity eligibility goes with the foal provided the new owner is or becomes a member of MHAO, payments have been made on time and continue to be paid promptly by the new owner until the final date.

CLASSES: Futurity classes will be held at the annual OREGON MORGAN CLASSIC HORSE SHOW (OMC), or any show designated as official by the MHAO Board of Directors. Futurity classes are independent of all other classes at the show or any other horse shows, and therefore have no affect on other high point awards or show championships. To be shown in Futurity classes, a horse must be nominated for the current year, and the owner must declare his/her intent to show (see Declaration). A horse need not be shown every year to continue in the Futurity. Classes will not be combined.

- **Years 0-2 (weanlings thru 2-Year-Olds, 1 class)**
 - Sport/Western In-Hand
 - No cross entry into other Futurity In-Hand Classes.
 - Horses stand square, not stretched
- **Year One Classes: Weanling Foals In-Hand Division (2 classes)**
 - Separate Classes for fillies and colts
 - No cross entry between classes.
- **Year Two Classes: Yearlings In-Hand Division (3 classes)**
 - Separate classes for fillies, colts, and geldings
 - No cross entry between classes.
- **Year Three Classes (4 classes)**
 - Two-Year-Olds In-Hand Division (3 classes)
 - Separate classes for mares, stallions, and geldings
 - No cross entry between classes.
 - Performance Classes (1 class)
 - Two-Year Old Futurity Driving Class

- **Year Four Classes**
 - Three-Year-Old Performance Classes (8 classes – walk/trot)
 - Classic Pleasure Driving
 - Pleasure Driving
 - Park Harness
 - Classic English Pleasure
 - English Pleasure
 - Park Saddle
 - Hunter Pleasure
 - Western Pleasure
- **Year Five Classes**
 - Four-Year-Old Performance Classes (8 classes – walk, trot/jog, canter/lope, with extensions)
 - Classic Pleasure Driving
 - Pleasure Driving
 - Park Harness
 - Classic English Pleasure
 - English Pleasure
 - Park Saddle
 - Hunter Pleasure
 - Western Pleasure

Horses will be shown under the current US Equestrian Federation rules for Morgan classes but are not USEF approved classes. They do qualify the horse to show at Nationals. To encourage participation and in the interest of safety; at the choice of the owner, a futurity weanling foal may be accompanied by their dam in the ring during adjudication. Only one handler is allowed per dam and must remain at a discreet distance so as not to interfere with the adjudication of the foal. All handlers must be dressed appropriately. Dams to be led in halter or bridle only and be suitably groomed for presentation in the ring. **USEF fees do not apply to Futurity classes. The World Futurity is a totally separate program and requires separate entry.**

SWEEPSTAKES CLASSES: Sweepstake Halter Classes were added starting in 2016 for yearlings & 2-yr-olds in-hand. To qualify to enter a Sweepstakes class, the Futurity foal must place 1st or 2nd in their regular Futurity halter class. The Sweepstakes class consists of all 1st & 2nd place horses for that age group and are not divided by gender.

Awards will be given to the Champion and Reserve Champion of each Sweepstakes class. No points for Sweepstakes Classes are awarded toward the High Point Futurity Program discussed later.

No declaration fees are required for Sweepstakes classes. **If the winners of the Sweepstakes classes are auction get, bonus payments will be paid to the breeder and to the stallion service donor.**

Note: Yearlings and 2 yr-olds placing 1st or 2nd in the Weanling through 2 yr-old Futurity Sport/Western halter class are also eligible to move forward to the Sweepstakes class for their age group.

DECLARATION: A declaration of intent to participate in a Futurity class is considered complete when

the owner submits the following to the Futurity Committee by June 1st.

1. Owner's name, current address, and telephone number via a Futurity Class Entry Form.
2. Name, sex, and AMHA registration document of entry to be shown. (Weanlings are exempt from the registration paper requirement)
3. Name and AMHA registration number of sire and dam.
4. The class(es) in which the entry is to be shown.
5. A \$25.00 declaration fee for each class (\$50.00 for post entry after June 1st).

Post entries will be accepted at double the regular declaration fee up to such time as post entries for the show close. The declaration fee does not cover stall fees which must be reserved using the OMC show entry form.

ALL OWNERS/LEASEES MUST BE MEMBERS OF MHAO. Membership is invited any time of the year. Membership information may be found at www.morganhorseoregon.com.

FUNDING: The Futurity is funded through annual nomination fees, declaration fees, the MHAO Stallion Service Auction, and any other fund raising activities the Futurity Committee may choose to undertake. Donations are also accepted.

REFUNDS: Refund of the initial fee (if paid in the year of breeding) will be made only if the foal is still born, or the mare proves to not be in foal. Notification needs to be sent to the Futurity Chair by June 1st of the year the foal was to be born. Thereafter no fee is refundable or transferable. If foal was not due until after that date, then by December 31st.

LIABILITY: MHAO is not liable for more than the amount paid in by any entry. The Futurity Committee reserves the right to reject any entry, or to debar any entry from competition for failure to comply with the rules of the Futurity.

PRIZES: Futurity funds not used to pay for ribbons, trophies, and other expenses will be paid out as prize money in the Futurity classes. The committee is permitted to hold back some funds to cover upcoming expenses toward future years.

TABLE FOR DISBURSEMENT OF PRIZE MONEY

Place	7 Horses	6 Horses	5 Horses	4 Horses	3 Horses	2 Horses	1 Horse
1st	30%	33%	35%	40%	50%	60%	100%
2nd	20%	22%	25%	30%	35%	40%	
3rd	15%	18%	20%	20%	15%		
45th	12%	12%	12%	10%			
5th	10%	10%	8%				
6th	8%	5%					
7th	5%						

NOTE:

Any foal by an AMHA registered Stallion out of an AMHA registered Mare qualifies to be nominated to this Futurity. They do not need to be the offspring of a donated Stallion to the Stallion Service Auction.

HONORING MARES: Starting in 2019 we began honoring the dams of the prior year's Sweepstake winners (both Champion & Reserve Champion Sweepstake winners) by creating a write-up with a picture of the dam in the MHAO Breeders' Cup Futurity booklet. The mare owner will also receive a special plaque to display at the OMC show.

MHAO BREEDERS' CUP FUTURITY BOOKLET: Each year the Futurity Committee will create a high quality magazine that will highlight the donated stallions from the MHAO Stallion Service Auction and the current Futurity horses. The booklet will be paid for from ads that are sold. Futurity fees are not to be used to cover the expense of printing this publication. The Stallion Service Auction committee will pay for the actual cost of printing the pages that relate just to the auction. Distribution of the magazine will normally start at the Oregon Morgan Classic. The booklet is also to be distributed to key shows up and down the Western Region as well as at Nationals.

MHAO BREEDER'S CUP FUTURITY HIGH SCORE AWARD Started in 2014

The MHAO Futurity was established in 2010 to aid in the promotion of Morgan horses. The Futurity is designed as a 5-year plan which follows an unborn foal through its 4-year old show season. To encourage and continue promotion of these horses a Futurity High Score Award was added, created and sponsored by Anne Margaret Korver starting in 2014. The incentive is a **\$\$\$\$** payout to the current owner/s of the winner plus the horse's name, sire, dam and breeder's name engraved on a plaque to be displayed each year at the Oregon Morgan Classic Horse Show. The winner will also receive their own Award to keep.

QUALIFICATIONS:

- 1) The horse, including sire and dam, must be registered with the American Morgan Horse Registry.
- 2) All the current and past owners during the Futurities 5-year period must be or were members in good standing of MHAO during their ownership of the horse.
- 3) The horse's original nomination and re-nominations for each year up to and including the final year of the plan must have been paid timely and be current.

The Futurity High Score Award will be for the graduating class of Futurity 4-year olds, Only Futurity classes at OMC will be counted. All Futurity In-Hand and Futurity Performance Classes qualify from weanling thru 4-year old.

Points will be tabulated as follows:

1 st	2 nd	3 rd	4 th	5 th	6 th
6	5	4	3	2	1

In the unlikely event of a tie, performance classes will be weighted more favorably. A placing in a performance class will have one (1) extra point added to their placing point. If still tied the horse with the most "higher" placing's will win.

No points for the Sweepstakes classes will count toward this tabulation.
