1. Collection/Handling/Shipping Fee:

Owner shall pay a nonrefundable collection/handling/shipping fee of **\$675.00** (\$350 collection, \$300 booking & \$25 container usage) to agent upon execution of this contract, which must be executed and returned by mare owner prior to shipping of semen. This fee covers the veterinarian fees for one collection, the expenses of one shipment of semen, stallion owners handling fee and the use of the container for that one and all future shipments (current year). All subsequent shipments of semen will be billed **\$300.00** by the stallion's agent to the mare owner. **Additionally, if a shipment needs same day service we will use a courier and their charges are in addition to the collection fee.** These charges are the full responsibility of the mare owner. SEMEN WILL NOT BE SHIPPED WITHOUT FULL PAYMENT. All future shipments will be billed and are payable ON RECEIPT. If not paid within 30 days, semen will be held until payment is received.

2. Breeding agreement:

Agent shall collect, prepare for shipment & ship live semen to mare owner at designated address specified by mare owner. A licensed veterinarian must administer the semen on the day of delivery to mare owner or its designee, failing which the attached Live Foal Guarantee shall not apply.

3. All parties agree that semen shipped under this contract provides for the registration of **one** foal, if this shipment results in the birth of two foals a stud fee (\$3,000) will be due within 30 days of foaling.

4. Health Requirements for Semen Transport:

Internal examination and negative uterine culture by a licensed veterinarian within thirty days prior to first breeding. To be received by agent prior to first shipment of semen.

5. Container supplied by agent. Usage fee included in first collection. Failure to return container will null and void this contract.

6. All parties agree that semen shipped under this contract will be used **only for inseminating** the mare named above.

7. If stallion passes away or is not able to produce viable semen it will be the option of the stallion owner to provide a substitute stallion. If a substitute is unavailable and/or unacceptable stallion service will be forfeited.

8. This donated service is good **for one (1) breeding season** from the time of donation. If you require an additional year a **supplemental breeding fee of \$350** will be charged.

9. All payments are to be made payable to **Broadmoor Stud**.

#### **RETURN PRIVILEGES/LIVE FOAL GUARANTEE**

A. Mare must be examined by a licensed veterinarian at or before *50* days after last date bred, and **Agent must be notified of her breeding status after each examination or all guarantees are null and void.**

B. Should mare abort, absorb the fetus or fail to conceive, **return privileges are guaranteed in the current season (February 15-July 15).** A substitute mare may be used upon approval of Agent. At the end of the current season, Owner shall have the option of rebooking in the following season but contract is only valid for two full breeding seasons. If the said mare does not settle within the two breeding seasons this contract becomes null and void and all money paid is forfeited.

C. Should the mare fail to produce a live foal (defined as one that stands and nurses), return privileges are guaranteed for the following season. **Rebooking in the following season will require an additional collection/handling/shipping fee.**

D. This guarantee does not apply unless the following requirements are met:

a. Breeder is notified by registered or certified mail, return receipt requested, within 48 hours of delivery of the aborting or the foal's death.

b. A statement by a licensed veterinarian follows within 10 days of setting forth details Thereof and certifying that such abortion or death did not result from any act or omission of mare Owner and that all due care had been exercised and that the mare had been afforded all reasonable protection
